### CURRICULAR ASPECTS

#### 1.1 - Curricular Planning and Implementation

1.1.1 - The Institution ensures effective curriculum delivery through a well planned and documented process

MMD College is affiliated with Tripura University and follows its curriculum. Tripura University has adopted NEP-2020 curriculum framework from the academic Year 2023-2024 across all UG and PG programmes. Existing CBCS System is replaced with comprehensive Tripura University NEP-2020 Regulations that are significant for skill development, inter-disciplinary learning, wider access, inclusiveness and entrepreneurship. Boards of Studies with inputs from Programme committee designed the new curriculum. The academic calendar is prepared as per the Tripura University academic schedule and DHE Holiday list and suggestions made by the academic committee. Master routine is framed by the Routine committee and all the departments frame their departmental routines accordingly. Following steps are taken by each Department to make the curriculum a successful one to enrich the students:

- Departmental Meetings,
- Content Distribution of the Syllabus,

- Reviewing the Status of Library Books,
- Fixing the Examination Schedule of Internal Assessment, and
- Declaration of Result of each Internal Assessment.

A variety of engaging teaching methods are used, including lectures, presentations, circulating question papers, debates, group discussions, providing study materials to the students and counselling. Teachers are engaged in curriculum design of TU, being members of the Board of Studies and other related committees.

1.1.2 - The institution adheres to the academic calendar including for the conduct of Continuous Internal Evaluation (CIE)

The college adheres to a detailed academic calendar to ensure regular assessment throughout the semesters as per the guideline of Tripura University. UG (NEP-2020) Regulations are applicable from the Academic Year 2023-2024. The admission for all the semesters starts in the beginning of an academic year. Tripura University introduced Choice Based Credit System (CBCS) in 2018-19. As per NEP-2020 guideline internal assessments will be based on test, assignment, seminar, case study, field work, project etc. The institute conducts two sessional examinations (20% marks) for 5th and 6th semester (CBCS based degree programme) and (40% marks) for NEP-2020 batch in each semester which are informed to the students well advanced during the classes and exact dates were given in the internal examination notices. After the examination is over, each faculty member evaluates the answer scripts. The individual Departments of the College show the answer sheets of the internal Assessment to candidates. The final year students have Project paper and objective is to augment their critical thinking. The record of the Assessment is maintained at college level and submitted to university portal within due time. The Teachers' Council meetings take place every month to follow up the activities of the institution.

## 2.2 - Catering to Student Diversity

2.2.1 - The institution assesses the learning levels of the students and organizes special Programmes for advanced learners and slow learners

**At the beginning of the commencement of classes, department wise faculty members interact with students through an induction programme regarding subjects taken and marks secured in the previous examination, computer skills, internet surfing habit for the study materials.**

**Identify educational/learning needs of advanced learners through: classroom interactions, assignments, group discussions & class tests.**

The academic performance of the students from the disadvantaged sections of society, slow learners, economically weaker sections etc. who do not seem to cope up with the pace of learning. Dropout students are often identified by the faculties during personal interactions and counselling in and outside the classroom.

Following strategies are adopted for improving academic performance of the slow learners:

- Repetition & revision of a topic,
- Encouraging students to participate in classroom interactions,
- Tutorial classes, personal guidance and class tests among small groups,
- Delivering simple summary of the lecture,
- Supplying necessary study materials,
- Using teaching aids Practical demonstration, etc.
- Respond to special educational/learning needs of advanced learners through:
- Providing guidance for reference books, tutorial classes, interactive sessions and class tests.

Apart from classroom teaching, assignments are given to the advanced group learners. Intra-departmental seminars, wall magazine, e-magazine on different topics are also organized

/published.

### 2.3 - Teaching- Learning Process

2.3.1 - Student centric methods, such as experiential learning, participative learning and problem solving methodologies are used for enhancing learning experiences

The college affiliated University demands a student centric learning in its curriculum. Hence, steps for making learning student-centric arean enthusiastic measures adopted by the institute. Methods such asinteractive learning, group learning, tutorials, essay writing competition, art competition,intra-class quiz competition, departmental wall magazine and intra-departmental seminars using PPT presentation, project work, assignments are improvisedly used.The College provides the learning facilities like smart classrooms, auto-matedlibrary with reading room to make learning effective. Departmentalunit, weekly or monthly tests are conducted providing platform for students to interact with the teachers.Students are encouraged to participate in intra-classroom quiz to monitor the academic progress which also facilitates interactive learning. Students are encouraged to make use of library, attend seminars, workshops, periodical lectures, awareness programs, NSS programs and other synonymous activities. For instance, the6th Semester has 01 (one) Paper of project. Efforts are continuously taken by the college to nurture critical thinking and creativity among the students.

2.3.2 - Teachers use ICT enabled tools for effective teaching-learning process. Write description in maximum of 200 words

The institute has taken measures to acquire an ICT enabled classroom in the college and has successfully attained its objective. The IQAC also placed requisition to the college authority to make necessary arrangements for increasing the number of ICT enabled class rooms. On the other hand, the college library has also been automated in April 2023 and 01 (one) Day hands-on Training was also conducted. Teachers used ICT classroom weekly for their classes and share informations, video and audio clippings and others via. whatsapp, googlemeet, etc. Nonetheless, the faculties are also conscious enough to minimize their role as an in-depth analyst of subjects while keeping technology subservient. Events such as Science Day, World Earth Day and more were observed and held through online mode. Consequently, the introduction of NEP2020 in the year 2023 has enhanced the use of ICT enabled tools in teaching-learning method further more.

## 2.5 - Evaluation Process and Reforms

2.5.1 - Mechanism of internal assessment is transparent and robust in terms of frequency and mode. Write description within 200 words.

**Continuous Internal Evaluation for 20% marks for every paper in each semester following the examination pattern prescribed by the Tripura University are conducted as per norms. The evaluation paradigm includes a variety of test-types such as class tests, presentations, assignments, projects, viva, etc. This information is passed on to the students. The schedules of these internal examinations are declared by the Examination Committee of the College while the re-scheduled routines are provided by respective departments. In accordance to the Tripura University curriculum, 02 (two) Sessional Examinations (one each in a semester) are held wherein students have the liberty to review their Internal Assessment paper with proper consent of the head of the department. Similarly, the marks submitted at the University are well preserved and maintained by respective departments for review and other related requirement. The IQAC also conduct academic audit to keep check of the Internal Assessment transparency.**

**With the implementation of NEP2020 in the academic year 2023, the institute has been absorbed within the provisions thereby having transparent assessment programme such as Component Exam - I, Component Exam-II, Presentation, Attendance, etc. Every single Dept. keeps record of internal exams, routine, merit book, students' answer scripts, and other activity records.**

2.6.2 - Attainment of Programme outcomes and course outcomes are evaluated by the institution.

The program outcomes are measured over a period of time through performance of the students involving curricular, co curricular and extracurricular activities through their departments, NSS and different committees. Besides, seminars, workshops, etc. cultural programs are organize such as Freshers welcome, Farewell, Teachers' Day, etc. Departments also engage in social outreach activities. Program specific outcomes are measured through both academic and nonacademic performances of the students. The performance of the students in the internal and final examinations, assignments, participation in class activities, role in departmental activities are some of the means by which program specific outcomes are measured. Their performance within and outside the College in the various academic events provides another index of their learning-levels. Course outcomes are measured through the performance of the students in the class through internal evaluations, and final evaluations. Students are measured continuously based on their regularity, their receptiveness, participation in class discussions, their answers to questions asked by the teacher and the overall quality of their conduct. Their performance in the internal examinations provides the initial indication of their learning outcome. Teachers provide critical inputs to the students on the basis of this performance. Thus they are helped to improve their performance in the external examinations.

**GOVERNANCE, LEADERSHIP AND MANAGEMENT**

**6.1 - Institutional Vision and Leadership**

6.1.1 - The governance of the institution is reflective of and in tune with the vision and mission of the institution

**Our Vision:**

- To Provide Inclusive and Quality Education to Novice Mind, Contributing towards Nation Building

**Our Mission:**

The mission-vision statement of Michael Madhusudan Dutta College reflects the institution's commitment to develop:

- the scientific temper which broadens the logical and critical acumen,
- competence to develop competitiveness among the students,
- humanism for greater participation in nation building,
- art of preserving and protecting mother nature,
- spirit of inquiry and reform for self development,
- preparing the novice mind to deal with future course of life,
- blooming self-esteem and mental alertness through physical activities, and
- strive towards excellence in all spheres of individual and collective activity.

6.1.2 - The effective leadership is visible in various institutional practices such as decentralization and participative management.

As the Head of the Institution, the Principal is the overseer of the whole administration and management of the college. Nevertheless, the Principal is not the lone decision maker. The Teachers' Council along with several Committees and Cells comprising faculty members assist the Principal in planning, coordinating and implementing academic, administrative and other development activities of the institution. The Teachers' Council and different Committees and Cells regularly meet the Principal to ensure that action plans are executed efficiently and effectively. At various instances, the Principal directly consults the conveners or coordinators of different Committees and Cells for resolving specific issues. Apart from those Committees and Cells which look after curricular and cocurricular activities, certain Committees and Cells are worth mentioning as they ensure a prevalence of harmonious work environment as well as learning environment, namely, Discipline Committee, Anti-Ragging Committee, Prevention of Sexual Harassment Cell, Women's Cell, Grievance Redressal Cell and Internal Complaints Committee.

6.2.2 - The functioning of the institutional bodies is effective and efficient as visible from policies, administrative setup, appointment and service rules, procedures, etc.

Since the institution is a government college, the Directorate of Higher Education, Government of Tripura acts as a governing body. Delegation of authority by the governing body and the accountability of responsibilities are carried out through the Principal. He is the official linkage between the institution and the governing authority. The Principal is vested with the authority to maneuver the different administrative departments or sections of the institution. The internal administration is set up with an Establishment Section, Academic Section, Accounts Section, Cash Section, Stipend Section, Docket Section, and Store Section. Recruitment policies and procedures, service rules, and promotion of both teaching and non-teaching staff are all looked after by the governing body. So far as the academic matters are concerned, the college is affiliated with Tripura University (Central University), and therefore syllabi of different subjects and streams are as prescribed by Tripura University. Examinations are also conducted as per the directions of Tripura University. However, subjects and seat capacity are sanctioned by the Directorate of Higher Education with prior permission from the affiliating university. There are various committees within the institution, which, involve various decision-making processes to facilitate effective administration in the college.

**6.3.5 - Institutions Performance Appraisal System for teaching and non- teaching staff**

**The institution has performance appraisal system for teaching and non-teaching staff. Promotions of faculty members are based on CAS (Career Advancement Scheme) and PBAS (Performance Based Appraisal Scheme). The Directorate of Higher Education, Government of**

Tripura has introduced the performance based appraisal system for the college teachers on the pattern designed by University Grants Commission. The college also facilitates the staff for professional development. Teachers are allowed to go for Orientation Programme and Refresher Courses and other Short-Term Courses as per UGC guidelines. At the same time related departments are advised to make class adjustment so that normal classes are not hampered. Faculties are motivated to participate in Seminars and Workshop etc. inside and outside the college. They are also encouraged to organize seminars and workshops in the college. So far as the promotion of non teaching staff are concerned, specific guidelines are available and followed. CAS is there for non-teaching staff and time-linked CAS are granted to each employee on completion of specific years of service as earmarked for each grade/post. However, the government set up Departmental Promotion Committee (DPC) through which promotions are given after examining the Annual Confidential Report (ACR) of the staff.

#### 6.4.3 - Institutional strategies for mobilization of funds and the optimal utilization of resources

The college does not have any Resource Mobilization Policy of its own. Being a Government institution, it is fully funded by the Department of Higher Education, Government of Tripura in all respects. The principal source of fund for the college is State Government Budget and therefore, utilization of funds is ensured as per government rules and regulations. Admission fees collected from the students are not retained in the institution but remitted to the governing body. However, in case of examination fees the institution is allowed to retain a lesser portion for funding exam materials. Different committees and cells constituted in the college give their opinions for optimum utilization of funds for the interest of the students, staff and development of the college.

### 6.5 - Internal Quality Assurance System

#### 6.5.1 - Internal Quality Assurance Cell (IQAC) has contributed significantly for institutionalizing the quality assurance strategies and processes

The IQAC took the initiative for making the students aware of the thoughts of great thinkers of the world by pasting quotations on a board namely Inspire Yourself which is kept at the entry of the Academic cum Administrative building. It becomes a regular

practice of the institution to paste relevant quotes of different great persons on various significant days of national and international level. The IQAC started a competition among the students called Good Reader from 2018 - 2019 session and to be a winner a student has to lend at least fifteen books from the college library. It was initiated for growing a habit of reading among the students. Though none of the students won this competition yet, but there is an increment in borrowing books by the students, which is the main aim of this practice. Now students are showing more interest in borrowing books. This practice includes borrowing story books, novels or books on any subjects available in the college library. This practice may be a torch bearer in fulfilling the aim of value education.

At the same time, the institution provides platform for guiding, exploring and furnishing students capacities in the fields of art, culture, literature, etc. The institute stretches priority in upholding promotion of students' holistic education aiming to keep an impression of fraternity and faith to achieve greater goals.

## Part B

### CURRICULAR ASPECTS

#### 1.1 - Curricular Planning and Implementation

1.1.1 - The Institution ensures effective curriculum delivery through a well planned and documented process

MMD College is affiliated with Tripura University and follows its curriculum. Tripura University has adopted NEP-2020 curriculum framework from the academic Year 2023-2024 across all UG and PG programmes. Existing CBCS System is replaced with comprehensive Tripura University NEP-2020 Regulations that are significant for skill development, inter-disciplinary learning, wider access, inclusiveness and entrepreneurship. Boards of Studies with inputs from Programme committee designed the new curriculum. The academic calendar is prepared as per the Tripura University academic schedule and DHE Holiday list and suggestions made by the academic committee. Master routine is framed by the Routine committee and all the departments frame their departmental routines accordingly. Following steps are taken by each Department to make the curriculum a successful one to enrich the students:

- Departmental Meetings,
- Content Distribution of the Syllabus,
- Reviewing the Status of Library Books,
- Fixing the Examination Schedule of Internal Assessment, and
- Declaration of Result of each Internal Assessment.

A variety of engaging teaching methods are used, including lectures, presentations, circulating question papers, debates, group discussions, providing study materials to the students and counselling. Teachers are engaged in curriculum design of TU, being members of the Board of Studies and other related committees.

**1.1.2 - The institution adheres to the academic calendar including for the conduct of Continuous Internal Evaluation (CIE)**

The college adheres to a detailed academic calendar to ensure regular assessment throughout the semesters as per the guideline of Tripura University. UG (NEP-2020) Regulations are applicable from the Academic Year 2023-2024. The admission for all the semesters starts in the beginning of an academic year. Tripura University introduced Choice Based Credit System (CBCS) in 2018-19. As per NEP-2020 guideline internal assessments will be based on test, assignment, seminar, case study, field work, project etc. The institute conducts two sessional examinations (20% marks) for 5th and 6th semester (CBCS based degree programme) and (40% marks) for NEP-2020 batch in each semester which are informed to the students well advanced during the classes and exact dates were given in the internal examination notices. After the examination is over, each faculty member evaluates the answer scripts. The individual Departments of the College show the answer sheets of the internal Assessment to candidates. The final year students have Project paper and objective is to augment their critical thinking. The record of the Assessment is maintained at college level and submitted to university portal within due time. The Teachers' Council meetings take place every month to follow up the activities of the institution.

**2.2 - Catering to Student Diversity****2.2.1 - The institution assesses the learning levels of the students and organizes special Programmes for advanced learners and slow learners**

**At the beginning of the commencement of classes, department wise faculty members interact with students through an induction programme regarding subjects taken and marks secured in the previous examination, computer skills, internet surfing habit for the study materials.**

**Identify educational/learning needs of advanced learners through: classroom interactions, assignments, group discussions & class tests.**

**The academic performance of the students from the disadvantaged sections of society, slow learners, economically weaker sections etc. who do not seem to cope up with the pace of learning. Dropout students are often identified by the faculties during personal interactions and counselling in and outside the classroom.**

**Following strategies are adopted for improving academic performance of the slow learners:**

- Repetition & revision of a topic,
- Encouraging students to participate in classroom interactions,
- Tutorial classes, personal guidance and class tests among small groups,
- Delivering simple summary of the lecture,
- Supplying necessary study materials,
- Using teaching aids Practical demonstration, etc.
- Respond to special educational/learning needs of advanced learners through:
- Providing guidance for reference books, tutorial classes, interactive sessions and class tests.

Apart from classroom teaching, assignments are given to the advanced group learners. Intra-departmental seminars, wall magazine, e-magazine on different topics are also organized /published.

#### 2.3 - Teaching- Learning Process

2.3.1 - Student centric methods, such as experiential learning, participative learning and problem solving methodologies are used for enhancing learning experiences

The college affiliated University demands a student centric learning in its curriculum. Hence, steps for making learning student-centric are an enthusiastic measures adopted by the institute. Methods such as interactive learning, group learning, tutorials, essay writing competition, art competition, intra-

class quiz competition, departmental wall magazine and intra-departmental seminars using PPT presentation, project work, assignments are improvisedly used. The College provides the learning facilities like smart classrooms, auto-mated library with reading room to make learning effective. Departmental unit, weekly or monthly tests are conducted providing platform for students to interact with the teachers. Students are encouraged to participate in intra-classroom quiz to monitor the academic progress which also facilitates interactive learning. Students are encouraged to make use of library, attend seminars, workshops, periodical lectures, awareness programs, NSS programs and other synonymous activities. For instance, the 6th Semester has 01 (one) Paper of project. Efforts are continuously taken by the college to nurture critical thinking and creativity among the students.

2.3.2 - Teachers use ICT enabled tools for effective teaching-learning process. Write description in maximum of 200 words

The institute has taken measures to acquire an ICT enabled classroom in the college and has successfully attained its objective. The IQAC also placed requisition to the college authority to make necessary arrangements for increasing the number of ICT enabled class rooms. On the other hand, the college library has also been automated in April 2023 and 01 (one) Day hands-on Training was also conducted. Teachers used ICT classroom weekly for their classes and share informations, video and audio clippings and others via. whatsapp, googlemeet, etc. Nonetheless, the faculties are also conscious enough to minimize their role as an in-depth analyst of subjects while keeping technology subservient. Events such as Science Day, World Earth Day and more were observed and held through online mode. Consequently, the introduction of NEP2020 in the year 2023 has enhanced the use of ICT enabled tools in teaching-learning method further more.

2.6.2 - Attainment of Programme outcomes and course outcomes are evaluated by the institution.

**The program outcomes are measured over a period of time through**

performance of the students involving curricular, co curricular and extracurricular activities through their departments, NSS and different committees. Besides, seminars, workshops, etc. cultural programs are organize such as Freshers welcome, Farewell, Teachers' Day, etc. Departments also engage in social outreach activities. Program specific outcomes are measured through both academic and nonacademic performances of the students. The performance of the students in the internal and final examinations, assignments, participation in class activities, role in departmental activities are some of the means by which program specific outcomes are measured. Their performance within and outside the College in the various academic events provides another index of their learning-levels. Course outcomes are measured through the performance of the students in the class through internal evaluations, and final evaluations. Students are measured continuously based on their regularity, their receptiveness, participation in class discussions, their answers to questions asked by the teacher and the overall quality of their conduct. Their performance in the internal examinations provides the initial indication of their learning outcome. Teachers provide critical inputs to the students on the basis of this performance. Thus they are helped to improve their performance in the external examinations.

5.3.2 - Institution facilitates students' representation and engagement in various administrative, co-curricular and extracurricular activities (student council/ students representation on various bodies as per established processes and norms )

**The college, being a higher education institute ensures the representation and engagement of student body in its administration, co-curricular and extra-curricular activities. As such, there are student representatives in different committees of IQAC, NSS Advisory Committee, College Development Committee, etc. However, there is an absence of official Students' Council. Nonetheless, the senior semester students take the responsible role of showing leadership in activities as mentioned below.**

-Providing assistance and passing necessary information to fresh students in admission procedures and proceedings.

-Directing grievances of the students to Grievance Cell, AntiRagging cell and more.

-Mobilizing students for various academic, cultural and sport events in the College.

-Organizing different cultural and extracurricular activities such as Nabin Baran (Fresher Program).

-Initiative participation to learn and gain from various social activities like cleanliness drive keeping the spirit of the Swachh Bharat Mission, Rashtriya Ekta Diwas pledge, awareness programs and NSS Unit co-curriculum and extracurriculum activities.

### GOVERNANCE, LEADERSHIP AND MANAGEMENT

#### 6.1 - Institutional Vision and Leadership

6.1.1 - The governance of the institution is reflective of and in tune with the vision and mission of the institution

**Our Vision:**

- To Provide Inclusive and Quality Education to Novice Mind, Contributing towards Nation Building

**Our Mission:**

The mission-vision statement of Michael Madhusudan Dutta College reflects the institution's commitment to develop:

- the scientific temper which broadens the logical and critical acumen,
- competence to develop competitiveness among the students,
- humanism for greater participation in nation building,
- art of preserving and protecting mother nature,
- spirit of inquiry and reform for self development,
- preparing the novice mind to deal with future course of life,
- blooming self-esteem and mental alertness through physical activities, and
- strive towards excellence in all spheres of individual and collective activity.

6.1.2 - The effective leadership is visible in various institutional practices such as decentralization and participative management.

As the Head of the Institution, the Principal is the overseer of the whole administration and management of the college. Nevertheless, the Principal is not the lone decision maker. The Teachers' Council along with several Committees and Cells comprising faculty members assist the Principal in planning, coordinating and implementing academic, administrative and other development activities of the institution. The Teachers' Council and different Committees and Cells regularly meet the Principal to ensure that action plans are executed efficiently

and effectively. At various instances, the Principal directly consults the conveners or coordinators of different Committees and Cells for resolving specific issues. Apart from those Committees and Cells which look after curricular and cocurricular activities, certain Committees and Cells are worth mentioning as they ensure a prevalence of harmonious work environment as well as learning environment, namely, Discipline Committee, Anti-Ragging Committee, Prevention of Sexual Harassment Cell, Women's Cell, Grievance Redressal Cell and Internal Complaints Committee.

## 6.2 - Strategy Development and Deployment

### 6.2.1 - The institutional Strategic/ perspective plan is effectively deployed

The institution has several perspective plans developed by passing resolutions in the Teachers' Council meetings. As a statutory body, the Teachers' Council held regular meetings, assisting the Principal in decision-making and developing plans. Some of the strategic plans that were deployed during the year are sensitization of the students, employees, awareness on gender equity and all-round development of the students.

### 6.2.2 - The functioning of the institutional bodies is effective and efficient as visible from policies, administrative setup, appointment and service rules, procedures, etc.

Since the institution is a government college, the Directorate of Higher Education, Government of Tripura acts as a governing body. Delegation of authority by the governing body and the accountability of responsibilities are carried out through the Principal. He is the official linkage between the institution and the governing authority. The Principal is vested with the authority to maneuver the different administrative departments or sections of the institution. The internal administration is set up with an Establishment Section, Academic Section, Accounts Section, Cash Section, Stipend Section, Docket Section, and Store Section. Recruitment policies and procedures, service rules, and promotion of both teaching and non-teaching staff are all looked after by the governing body. So far as the academic matters are concerned, the college is affiliated with Tripura University (Central University), and therefore syllabi of different subjects and streams are as prescribed by Tripura University. Examinations are also conducted as per the directions of Tripura University. However, subjects and seat capacity are sanctioned by the Directorate of Higher Education with prior permission from the affiliating university. There are various committees within the institution, which, involve various decision-making processes to facilitate effective administration in the college.

### 6.3 - Faculty Empowerment Strategies

6.3.1 - The institution has effective welfare measures for teaching and non-teaching staff

In accordance with the policies of DHE, Govt. of Tripura, the college embrace effective welfare measures for the Teaching and the Non-Teaching staff. All the employees are covered under the General Provident Fund (GPF) as well as NPS to date and are eligible to receive Gratuity, Leave Encashment, and other benefits upon superannuation as per Tripura Civil Service Rules, 1988, in concurrence with the Finance Department, Government of Tripura. Apart from those welfare from the Government, the Teachers' Council collects reasonable funds from the teaching community every year which are used for the welfare of the staff like extending financial help in terms of medical emergency, marriage, death, etc. Every year the College organises a grand annual get-together for all teaching and non-teaching staff. The institution has a well-furnished common room for the teaching staff and separate almirahs for each department. Clean drinking water with an aqua guard facility is available for the staff. Separate washrooms for males and females are available both for teaching and non-teaching staff. Also for non-teaching staff, there are separate cabins for their office work. The college also has a refrigerator for multipurpose.

**6.3.5 - Institutions Performance Appraisal System for teaching and non- teaching staff**

The institution has performance appraisal system for teaching and non-teaching staff. Promotions of faculty members are based on CAS (Career Advancement Scheme) and PBAS (Performance Based Appraisal Scheme). The Directorate of Higher Education, Government of Tripura has introduced the performance based appraisal system for the college teachers on the pattern designed by University Grants Commission. The college also facilitates the staff for professional development. Teachers are allowed to go for Orientation Programme and Refresher Courses and other Short-Term Courses as per UGC guidelines. At the same time related departments are advised to make class adjustment so that normal classes are not hampered. Faculties are motivated to participate in Seminars and Workshop etc. inside and outside the college. They are also encouraged to organize seminars and workshops in the college. So far as the promotion of non teaching staff are concerned, specific guidelines are available and followed. CAS is there for non-teaching staff and time-linked CAS are granted to each employee on completion of specific years of service as earmarked for each grade/post. However, the government set up Departmental Promotion Committee (DPC) through which promotions are given after examining the Annual Confidential Report (ACR) of the staff.

#### **6.4.3 - Institutional strategies for mobilization of funds and the optimal utilization of resources**

The college does not have any Resource Mobilization Policy of its own. Being a Government institution, it is fully funded by the Department of Higher Education, Government of Tripura in all respects. The principal source of fund for the college is State Government Budget and therefore, utilization of funds is ensured as per government rules and regulations. Admission fees collected from the students are not retained in the institution but remitted to the governing body. However, in case of examination fees the institution is allowed to retain a lesser portion for funding exam materials. Different committees and cells constituted in the college give their opinions for optimum utilization of funds for the interest of the students, staff and development of the college.

## 6.5 - Internal Quality Assurance System

6.5.1 - Internal Quality Assurance Cell (IQAC) has contributed significantly for institutionalizing the quality assurance strategies and processes

The IQAC took the initiative for making the students aware of the thoughts of great thinkers of the world by pasting quotations on a board namely Inspire Yourself which is kept at the entry of the Academic cum Administrative building. It becomes a regular practice of the institution to paste relevant quotes of different great persons on various significant days of national and international level. The IQAC started a competition among the students called Good Reader from 2018 - 2019 session and to be a winner a student has to lend at least fifteen books from the college library. It was initiated for growing a habit of reading among the students. Though none of the students won this competition yet, but there is an increment in borrowing books by the students, which is the main aim of this practice. Now students are showing more interest in borrowing books. This practice includes borrowing story books, novels or books on any subjects available in the college library. This practice may be a torch bearer in fulfilling the aim of value education.

The institute consist of students of different communities having diverse tradition of culture and history wherein the tribal students' population is the majority. Abiding with the provisions of NEP2020, the institute, in the Academic Year 2023-2024 tackled trials notwithstanding minimal equipment and infrastructure. In so doing, the Institute stood out in showing exemplary course of action in serving the society to bring down a larger mass of awareness towards individual contributions in building a 'Healthy Nation'. As such, capacity and skill development were organized, industry skill development was organised and NSS Unit also held a massive camp on blood donation, cleanliness campaign and others. At the same time, the institution provides platform for guiding, exploring and furnishing students capacities in the fields of art, culture, literature, etc. The institute stretches priority in upholding promotion of students' holistic education aiming to keep an impression of fraternity and faith to achieve greater goals.

7.3.2 - Plan of action for the next academic year

The institute (In 2024-2025) planned to adopt an Action of Plan of the following:

- To act as skill development centre for employment generation by organizing awareness programs, seminar, workshop, lecture, meet, coaching centre, etc. on varied subjects keeping in mind the agendas of NEP2020 to address diverse learners and to ensure its alumni's future success requirements.
- To promote and sensitize on identity harmony, cultural affinity, diversity and entrepreneurship.
- To sensitize on state, national, international events and more to develop sense of moral responsibilities, conduct

code and values.

- To advocate sustainable development for the students and the stakeholders and the region as a whole.
- To strive for and promote green environment awareness and its immediate impact on mankind and consequences.
- To decisively follow the Institute's Academic Calendar i.e. 2024 - 2025.

The fundamental objective of IQAC is to supply the students, teaching as well as the non-teaching staff a rational and integrated sensitization in all spheres to have an all-round sustainability enhancement.
